WORK EXPERIENCE

Oct 2021 - Present

Unity/Laravel/Flutter Developer
Peanut Agency, Remote

I currently work with *"Peanut Agency"*, a company dedicated to develop commercial applications for big companies as *Cinepolis*, *Cinemex*, *CocaCola* and *"Beyond Bruges"*, a tourist app where you can experience the medieval city of bruges from your smartphone.

Aug 2021 - Oct 2021

Unity Developer
DTI CONSULTORES, Tlaxcala, México

I worked at *"DTI Consultores"*, a company dedicated to develop augmented reality applications with UNITY such as *"Arvis"* and *"Interceramic"* available on the Play Store. I have gained a lot of experience working here and I want to focus this knowledge for the development of video games.

Jan 2018 - Present

Web & Mobile Developer / 3D Modeling
Freelance, Puebla, México

I've been working on my own doing web & mobile applications, advertising and 3D modeling.

EDUCATION

Aug 2016 - Jun 2021

Engineering in interactive technology in digital animation
Universidad del Valle de México, Puebla, México

General average of 9.36

Feb 2019 - Jun 2019

Software Engineering
Universidad Peruana de Ciencias Aplicadas, Lima, Perú

I had the opportunity to study in Peru and I was able to reinforce my programming knowledge for 5 months
